LE CARRÉ

As Rhône Valley Terroirs lovers, we have discovered a fabulous vineyard, classified in AOC Valréas, north of Vaucluse. We bought and harvested it for the first time in 2010 to give birth to the first cuvée: "Le Carré".

"Le Carré", talks about an exceptional potential of quality given by a very special square (carré in french) of vines in the middle of our domain.

Powerful, toasty and complex nose, with chocolate and coffee notes, generous and charming in the mouth, ripe fruits and roasting notes.

We advise to pour "Le Carré" in a carafe one hour before serving, to deliver all its aromatic potential.
